

AVAILABLE FOR JOHN DEERE **X495, X595, X740, X748, X750, X758**

Cutting Edge Quality

The HME Commercial 48" is a highly robust rear discharge mower deck with a 122cm (48 in.) total cutting width. Being shaft driven they are durable and can handle the toughest commercial mowing jobs.

- 30mm blade overlap.
- Meets relevant compliance and tests.
- 6-position height adjustable gauge wheels.
- Shot blasted and zinc plated with a powder coat finish.
- ISO mounted gearbox minimises noise and vibration reducing operator fatigue.
- 3mm fabricated shell with vertical riser rail and 8mm thick reinforced spindle mountings.
