

Procedure

1. On arrival visitors must sanitize their hands and sign in the visitor log book.
2. Visitors will be accompanied at all times & must not walk around the site unescorted.
3. Visitors may be required to wear Personal Protective Equipment (PPE). The HME team will identify when PPE is needed.
4. When departing from the site, visitors will need to sign out and return any issued PPE.

PPE to be issued:

Site Rules:

Visitors will not be allowed to use any plant, vehicles and/ or equipment when on site (unless they are on site as an approved contractor).

For a medical emergency seek assistance from your host. HME has a number of trained first aiders on site. All accidents & illness relating to the workplace must be recorded in the accident book.

On discovery of a fire, sound the alarm by breaking the glass at your nearest call point, then immediately proceed to the fire assembly point.

Regularly wash your hands with the sinks or hand sanitizing gel provided.

Photography is forbidden unless consent is given from your guide.

Appropriate closed toe shoes must be worn.
